RE: Late Fees for October Election

40-G Campaign Finance Disclosure Report

Dear Board

I would like to request a waiver of late fees for the 40-G report. There was no money received or spent past 9/14/2015, therefore there was nothing to report. Did not understand there had to be a report filled with a bunch of zeros on it. However Ms Arnold was a big help to guide me how to solve the problem. Problem has been quickly addressed and corrected. I am requesting fees be lowered or dropped if possible.

Thanks in Advance for the Consideration,

Mr Ray Morrison
